NEW NUCLEAR CAPITAL

DECEMBER 2, 2025 | NEW YORK, NY & VIRTUAL

SPONSORSHIP OPPORTUNITIES

Overview:

New Nuclear Capital (NNC2025) is the annual investment forum where finance meets advanced nuclear. On December 2, 2025, in New York City, NNC convenes LPs, GPs, lenders, utilities, data center leaders, industrial offtakers, reactor developers, EPCs, and U.S./state agencies to translate surging 24/7 power demand into bankable projects. Sponsors gain meaningful stage visibility, strong brand presence, and early access to the live registration list (opt-in contact details) to plan outreach and meetings. With a high-signal agenda, top-level speakers, and prime networking opportunities, NNC2025 is the place to put your brand—and your perspective—at the center of the advanced-nuclear finance conversation.
